

## Rhinos Who Surf

---

By Mammano, Julie

Chronicle Books, 1996. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: -- SCHOOL LIBRARY JOURNAL, Starrred Review, July 1996 Mammano's delightful offering will have readers smiling from cover to cover as rhinos ride the waves. Their day is related in surfing jargon as they "jam" to the beach, spend time on their boards, and contentedly return home. Some the book's appeal is due to the surprising incongruity of rhinos gracefully surfing. These animals have a rollicking good time as they assume correct positions and moves that the text explains in brief sentences that rise and fade upon the waves in large graphic letttering. Bright colors with abstract designs in dominant blues and greens skillfully woven into the background define the setting but never detract from the realistic look of ocean waves. Children who have watched surfers from the shore will be pleased to find a book about the subject, while those inland will appreciate its sheer fun and buoyant exuberance. A section titled "Surf Lingo" rounds out the presentation. A refreshing addition. -- PUBLISHERS WEEKLY, May 1996 Everybody's heard about the surfer bird, but rhinos ride the waves too, according to Mammano's exuberant debut...

### Reviews

*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).*
