

The Enlightenment: A Beginner's Guide

By Kieron O'Hara

Oneworld Publications. Paperback. Book Condition: new. BRAND NEW, The Enlightenment: A Beginner's Guide, Kieron O'Hara, Blamed for the bloody disasters of the 20th century: Auschwitz, the Gulags, globalisation, Islamic terrorism; heralded as the harbinger of reason, equality, and the end of arbitrary rule, the Enlightenment has been nothing if not divisive. To this day historians disagree over when it was, where it was, and what it was (and sometimes, still is). Kieron O'Hara deftly traverses these conflicts, presenting the history, politics, science, religion, arts, and social life of the Enlightenment not as a simple set of easily enumerated ideas, but an evolving conglomerate that spawned a very diverse set of thinkers, from the radical Rousseau to the conservative Burke.
