Dear Sir, .I feel I should inform you that your mother is very ill. If you wish to see her before it is too late, you should come at once. Though she alone is reason enough to prolong his stay, he is soon faced with other tantalizing riddles: What secrets lie in his mother s past to explain his childhood abandonment? Why is the captivating Mrs. Stuart so determined to mend the breach between mother and son? Meanwhile, Camilla herself is caught up in love s complications since the arrival of the irresistible earl. As his bold flirtation and suggestive whispers draw her dangerously close, can anything protect her vulnerable heart? If they are destined to share real happiness, there must be honesty between them yet telling him the truth about her own life may shatter that chance. None of them can predict the startling...
