FROM TORAH TO KABBALAH: BASIC INTRODUCTION TO THE WRITINGS OF JUDAISM

SCM PRESS, United Kingdom, 2012. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.Hitherto, no compact introduction has been available to the wealth of Jewish literature which came into being between the completion of the Jewish Bible, the Christian Old Testament, and the Middle Ages. Yet knowledge of this is important, not only for students of Judaism, but also for those studying the background to the ministry of Jesus and developments in the early church. This book remedies the lack. It provides a factual account of the background and content of Jewish literature from the Torah, the cornerstone of Judaism, to the Kabbalah, the mystical trend which began to be codified in the twelfth century. This also involves accounts of the Mishnah and Talmud, and explanations of Tosefta, Baraita, Gemara, Midrash, Halakah, Haggadah. Where necessary, the account is illustrated by texts selected and translated by the author. There is also an extensive bibliography.
