Use XAMonline s bestselling TExES Generalist EC-6 Essentials study guide to help you pass your teacher certification exam and advance your career. Aligned with current TExES standards, our study guide provides a comprehensive review of all five domains, including English language arts and reading, mathematics, social studies, science, fine arts, and health and physical education. We give you a thorough review of all competencies, skills, and focus statements tested on the TExES Generalist EC-6 exam. Unlike other teacher certification test preparation material, our TExES Generalist EC-6 essentials study guide drills all the way down to the focus statement level, providing detailed examples of the range, type, and level of content that appear on the test. The book includes three full-length multiple-choice practice tests to help you test your knowledge, understand how the exam is weighted, and identify skills and competencies you need to focus on. Our detailed answer explanations reference related skills in the book, allowing you to identify your strengths and weaknesses and interact with the content effectively. Maximize your study by prioritizing domains and skills you need to focus on the most to pass the exam. This study guide is perfect for college students, teachers, and career-changing professionals who want to teach in Texas.
