## Experiences of Trance, Physical Mediumship and Associated Phenomena with the Stewart Alexander Circle: Evidence of Survival After Death Part 1

By Katie Halliwell

Saturday Night Press, United Kingdom, 2008. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book. After Katie Halliwell attended a physical seance given by Stewart Alexander for the first time in 1999, she quickly discovered that friends and relatives did not appreciate the solid reality of her experiences. She attended more of his public seances and wrote reports explaining the true and genuine phenomena of trance, Direct Voice and materialisation. She also provided excerpts of the recordings of these seances. The result of this project was an easy read and listen guide for those with little or no knowledge of communicating with Spirit World, as well as for those who are interested in, and know about, the wonders of the seance room. The transcript for the CD of the recordings is included in the book. As an insight Katie has included her early experiences before she came to sit with Stewart, along with reports written by people from America, Britain and Europe explaining how they physically heard and touched the Spirit people as the two worlds met in total harmony.
