Reviews

This publication will never be effortless to get started on reading through but very fun to read. It is actually loaded with knowledge and wisdom You will not truly feel monotony at anytime of the time (that's what catalogues are for about in the event you check with me).
(Marlin Bergstrom)

AIR BATTLE OF THE RUHR: RAF OFFENSIVE MARCH JULY 1943

Pen & Sword. 1 Paperback(s), 2013. soft. Book Condition: New. First published in 1992, this book from the author of *Air Gunner and Target Leipzig* chronicles the exploits of Bomber Command during their offensive against German industry in the Ruhr valley during World War II. Tasked with flying out across the heavily defended region time and again for bombardments and offensives, scores of young pilots called upon unfathomable reserves of courage to meet their objectives. With black and white photos throughout, the book describes these harrowing missions and profiles the Ruhr and its great importance for German manufacturing. Here too are statistics for the bombers dispatched, the number that actually reached the targets and, poignantly, those that never made it. 228.
