Silence in Court

"How would you like to be a racket? A stranger for a week, an heiress for a week, then down with the stick and a stranger again."

Impetuous, warm-hearted Honora Maguire plans to revise her will – but before the papers can be drawn up, she is dead from an overdose of pills. All eyes are on Cary Silence, a penniless orphan who was recently made Honora's ward. Suspicion focuses evidence, Cary is arrested and her trial is prepped. So begins a classic golden age mystery with many suspects and twists. Who was the 'viper' referred to? Who was it Honora really intended to cut out of her will? And most importantly – who murdered her?

This novel, from 1965, tells the story of one of the most dramatic trials in detective fiction – the trial of Cary Silence. The new edition features an introduction by crime fiction historian Curtis Evans.

"When I pick up a book by Patricia Wentworth I think, now to enjoy myself – and I always do." Mary Dill, Daily Mirror
