Rex Stories

By Rick Lawton

Sasha Press, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Rex Stories are the stories of occupants of the Manhattan-based Rex Hotel. Among others, there's Ric the paranoid Cuban, who's beset upon by a CIA-led infestation of cockroaches; Joey who aspires to ski the slopes on white lines of cocaine; deluded Alex who preaches life without illusions; and Luce who looks upon the Rex as the last refuge of the Real People. Whether or not true, Lawton makes them seem real enough; moreover, surrounded by gentrification, theirs is a reality they can't always bear. Thus readers should be warned: Lawton doesn't offer us a cast of raffish Guys and Dolls, Damon Runyon-type characters. The occupants of the Rex are much more descendants of those who once frequented a Greenwich Village saloon-rooming house nearly a century before, the same ones the playwright Eugene O'Neil first introduced us to in *The Iceman Cometh*.

Reviews

The best publication i actually study. We have study and that i am certain that i will likely to study once more again later on. Your daily life span will likely be transform the instant you total reading this book.

-- **Mrs. Alene Leffler DVM**

Completely among the best pdf We have at any time study. We have study and i am sure that i am going to likely to read yet again once again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
