Supervisors and Overseers is to be had as soon as may be after the first town meetings, it is evident that by the last assessment list is meant the last list before the division. The division of this town of Kingston was in 1880. We do not see, therefore, how the assessment roll of 1882 could be considered. And we may notice also that this statute seems to indicate an apportionment between the towns, and not an apportionment upon only the property within the territorial limits of the altered or divided town. We think, then, that the debt must be legally apportioned as prescribed by statute before any town other than Kingston can be charged; perhaps even before Kingston can now be charged. For section 10 provides that each town shall thereafter be charged with the share of such debts according to such apportionment. It seems, therefore, to us, that this apportionment ought to be made, and that it is not reasonable to enforce the debt against that part of the divided town which retains the old name. The Legislature evidently did not intend that this should be done, but intended that after the division each should be liable for its proper share, to be ascertained as in that statute provided. 88 The order should be reversed with costs, and motion 1 denied with 50 costs and disbursements against relator.
