So I was interested to read a book that claimed it was a must-read for all Bronte fans who wanted to know the truth. I have heard about the disputed authorship of the famous novel, and had never been convinced it was penned by any other than the named author, Branwells sister Emily. In this novel the case for alternative authorship is put forward from the perspective of a close friend of Branwells, the barber and poet George McCraw. The book features a letter sent by McCraw to the Halifax Courier in 1861, and uses this as a basis to delve into the barbers life in Victorian Bradford, the murky and polluted world of the city providing a suitably macabre backdrop for the events which unfold. The reader follows McCraw as he relives his past and present in a quest to reveal the true authorship of the work. Another interesting edge to the story is added when the barber himself is alluded to as Branwells muse for the notorious Heathcliff. But this book is not really for those seeking a convincing historical argument. Although it provides the more discerning reader with a personal slant on a famous literary issue, the pleasure comes from the entertaining tale Firth weaves around it. At one point, I admit, the book had me wavering on the question of authorship, but by the time I had got halfway through, the issue no longer seemed to be of importance. The novel has lots of pace and is...
