JUDE AND 2 PETER

CASCADE BOOKS, United States, 2015. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. While there are many commentaries written today, most have been products of Euro-American scholars who have sought to address questions and concerns of the western church. The New Covenant Commentary Series (NCCS) has provided an opportunity for scholars from the non-majority communities in Biblical Studies to engage fully with NT writings without bracketing their diverse backgrounds in the interpretive process. Consequently, in Andrew Mbuvi's interpretation of Jude and 2 Peter, the author seeks to both be faithful in the first century Greco-Roman world setting of the letters while also allowing aspects of his postcolonial, African, and liberation theology interests to inform his hermeneutics. Mbuvi reads the epistles within the context of first century Greco-Roman Associations since the communities of Jude and 2 Peter seem to share significant commonalities with these groups. The Fusing Horizons sections address aspects of concern to the Church, with inclination towards issues that have occupied the church outside of the western world (the Global South), home to the majority of Christians today. Mbuvi's useful analysis shows that Jude's and 2 Peter's message remains as relevant today as when the letters were written. There are many commentaries on Jude and 2 Peter, but none like this one. . . . Andrew Mbuvi has written an excellent exposition on these small, but important, biblical books that will not only throw fresh light on the text, but also on our own lives. --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College Mbuvi's commentary . . . offers refreshing insight on these oft-overlooked writings by engaging the text in relation to ideas, traditions, and movements stemming out of the vast continent of Africa....
