This book is NOT: This is NOT a copy of The Intelligent Investor, Security Analysis, and The Wealth of Nations. Those books are huge (1,940 pages combined) and sometimes difficult to understand. This book is concise (176 pages - with 6 pages for notes), it explains the important information found in those books, and it has easy to understand video lessons that accompany every chapter. The authors sole purpose for including a small section (less than three pages) in this book was to discuss Adams Smith true impact on Warren Buffett as a philanthropist. This book IS: Completely interactive with over 10 hours of video content. A starting point for amateur and intermediate investors to finally understand the content found in The Intelligent Investor and Security Analysis. Content pertaining to The Wealth of Nations is short and only added to highlight the importance of philanthropy. Easy to understand, yet covers complex topics for stocks, bonds, and preferred shares.
