Books of the Dead. Paperback. Book Condition: New. Paperback. 198 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. Death hovers around Ellie Morgan like the friend nobody wants. She doesn't belong in snow-swept Ossipee, New Hampshire, at a black tie party--but that is where she is, and where he is: Nicholas French, the man who mystifies her with a feeling of home she's been missing, and the impossible knowledge of her troubled soul. Phil Cone, author of Paddy Nemesis Running Home has a dark beauty which entwines the mundane and the magical. J. C. Michael, author of Discordia A fascinating take on vampires, unlike anything I've seen before, filled with a rich and beautiful culture. I was left simply begging for more. J. Liz Hill, author of Bound I can't remember a time I've enjoyed a vampire novel so much. The blend of self-aware characters and unique, fresh mythology made for an engaging, addictive read. I believe I have found my new favorite urban vampire story. Frances Button, Opening Line Literary Zine Forget about creatures that glitter, change forms, or howl under the full moon bathed in the blood of their victims. They aren't nearly as...
