

How to Write a Single Page Resume: It's Not Just What You Say, But How You Say It That Counts

By Ed Bagley

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Most books on resume writing tell you what to do, but neglect to tell you how to do it. It is one thing to say use action verbs and then give few, if any, writing examples using action verbs. How to Write a Single Page Resume not only shares with you what to do, it also shares with you how to do it, with specific examples of not just what to say, but how to say it efficiently and effectively. You will learn the thought process and belief system behind what is being suggested, and why it is being suggested. It is important that you learn why you are doing what you are doing because the more knowledge and understanding you have of the marketplace and hiring practices today, the quicker you will be able to navigate your way through it, get a job offer and a job. You will also learn why people skills are the most important trait you have going for you, how to answer tricky job interview questions, why your focus should be on...
