Thomas Nelson Publishers, United States, 2006. Paperback. Book Condition: New. 223 x 145 mm. Language: English . Brand New Book. An urgent letter to the early churches in Asia Minor, Galatians expresses Paul s concern for the spiritual welfare of the early believers. The central doctrine of Christianity was being undermined and confusion was growing as false teachers attempt to salvage the truth and integrity of the gospel, Paul penned Galatians-a book that would encourage hundreds of generations of Christians to remain steadfast in their faith. While contrasting grace and law, faith and works, Paul defends the theological and practical implications of Christianity and encourages believers- then and now- to live a holy life that bears much fruit. The Mac Arthur Study Guide Series provides a twelve week, verse-by-verse examination of the books of the New Testament. This revised and updated series continues to be one of the best-selling study guides currently available for individuals or small groups. Features Include: * Twelve week study * Thought-provoking questions * Verse-by-verse commentary * Space provided for note-taking.
