 SHIP DAILY!!EXPEDITED SHIPPING AVAILABLE. Doing Church in
 a Media-Drenched Culture It has been said, 'the future is now.'
 From cell phones to mp3 players to the Internet, no previous
 age has seen such profound change manifested so quickly. But
 these thrilling, dizzying transformations are forcing the church
 to decide where it fits in all this progress. Shane Hipps presents
 the promise and peril of the emerging culture and its
 relationship to the emerging church. Looking beyond the
 details of what's happening in communities of faith, Hipps
 analyzes the broader impact of technology and media on the
 church while engaging readers with questions such as: * Is
 media/technology value-neutral? * How has technology
 changed the way we think about Scripture, community, and
 worship? * What cultural opportunities has the church missed?
 * How should the church position itself to take advantage of
 coming cultural trends? Providing both history and prophecy,
 The Hidden Power of Electronic Culture invites us to engage
 new cultural realities while staying connected to our spiritual
 heritage.

Reviews

A whole new e-book with an all new viewpoint. I could possibly comprehend every little thing using this created e pdf. I am just very happy to inform you that this is the greatest book i have read through within my own life and could be the best pdf for ever.

-- **Hank Treutel**

Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.

-- **Kristy Dicki**
